

Start here

Open this first: **Happy Birthday Kitty — the video, ready to publish.**

Your birthday video, ready to publish: your song untouched, married to your thumbnail with "Happy Birthday Kitty" set into the frame. Your original song and thumbnail ride alongside it. The brief is out of the box — nothing but the work goes with it now.

What is in the kit

Films play in any video player (QuickTime, VLC, or a browser); images open in any image viewer or browser; audio plays in any music player.

1 **Happy Birthday Kitty — the video, ready to publish** (open this first)

`video/happy-birthday-kitty.mp4`

Your song, whole and untouched, married to your thumbnail with "Happy Birthday Kitty" set into the frame. Open it and publish it as is.
