Open this first: **Cabin Interior Design Package — the dossier.**

This is the complete design package for your Gulfstream cabin — the book the aircraft's owners and their completion partners price and build from, plus the sheets and renders that ride beside it. Open the dossier first: it carries the whole cabin as one coherent, buildable design, warm and residential cover to colophon, with a real two-spread Weight & Load engineering section sitting beside your aft stateroom. Every airframe fact and system name is printed exact against Gulfstream's published spec, the operating weights are stated as honest cross-referenced ranges with the disagreement named, and it's nameless — yours to present however you like.

---

## What is in the kit

### 1 **Cabin Interior Design Package — the dossier** (open this first)

`design/cabin-design-dossier.pdf`

Open this first. The complete end-to-end design package — concept, zoning, floor plan, spec-level materials & finishes, warm lighting scheme, galley & lav, cabin systems, and the four-zone render gallery. This is the book your owners' completion partners price and build from.

---

## Filed under Extras

### 2 **Weight & load — the engineering reference**

`Extras/weight-and-load.pdf`

The weight-and-balance work in full, written the way a completion engineer reads it — the same content the dossier carries as its Weight & Load section, here as a standalone reference to hand your shop's engineer.

---

### 3 **Floor plan — drawn to the cabin**

`Extras/floor-plan.png`

The zoning and layout drawing at full resolution — four zones across the published envelope, seats forward, window grid honored.

---

#### 4 **Materials & finishes board**

Extras/materials-board.pdf

The spec-level palette on its own sheet — hides, veneers, stone, warm metals, carpet, headliner, with the FAR 25.853 substrate notes a completion shop needs.

---

#### 5 **Zone 1 — Forward club (the work zone)**

Extras/anchor-warm-home-take-B.jpg

---

#### 6 **Zone 2 — Conference & dining**

Extras/zone2-midcabin-take-A.jpg

---

#### 7 **Zone 3 — Aft lounge (the family room)**

Extras/zone3-aftlounge-take-A.jpg

---

#### 8 **Zone 4 — Private aft stateroom**
